THE COSTCO WAY

Orgain Orange Creami Dreami Ice Cream

Makes 2 servings

Ingredients:

Ninja CREAMi Deluxe

2 scoops Orgain Protein Powder + Superfoods Vanilla

1 scoop Orgain Collagen Peptides

1¼ cups 2% milk

1½ cups orange juice

1 tsp vanilla extract

Instructions:

In the CREAMi pint container, add protein powder, collagen, milk, orange juice and vanilla. Use an immersion blender, frother or whisk to mix until it's smooth. Cover with the accompanying lid. Place in the freezer for at least 8 hours, or up to 24 hours.

When ready for ice cream, remove from the freezer. Let sit at room temperature for 15 minutes. Remove the freezer lid. Place the container into the outer bowl. Place on the outer lid and lock. Position the outer bowl and lid on the CREAMi machine. Select FULL mode. Turn the dial to select Lite Ice Cream. Press the dial to begin processing. Remove the outer bowl and lid. If it's crumbly on top, spin the pint around and press the RE-SPIN option. Serve immediately.
