

Gift Wrapping

CRAFT A: Sticky Bow Tree

Wrap ribbon around a box. Secure with Scotch Tape. Add bows.

CRAFT A1: Sticky Silver Bows

The designs are endless!

Craft B: Ribbon & Gift Tag

Choose a box. Remove ties from gift bags and cover the holes. Wrap ribbon around the box. Tape gift tags to ribbon. Secure with tape.

CRAFT C: Wire Ribbon Bow

Use a ribbon to create a bow. Fold ribbon to equal short side of box. Fold 12 times. Fold in half to create a crease. Unfold. Cut each side of crease but not through the middle.

For a ribbon tie, fold ends and cut diagonally. Measure ribbon. Each ribbon tie should equal 4 times around the shortest side of the box. Wrap around box. Hold with thumb in center. Continue to wrap around box. Thread tail under and through. Pull tight in each direction. Place ribbon bow on top of ribbon tie. Grab ribbon tie and make a knot. Separate ribbon bow loops. Shape and twist to create a bow. Secure a gift tag to the box with tape.

CRAFT D: Gift Tag Cards

TIP: Create holiday cards with gift tags. Fold construction paper in half. Glue gift tags onto the front of the card.
