Dear Costco Member,

Costco records indicate that you, or one of your add-on members, have purchased Item #1510875 Kalorik Maxx Airfryer between December 2020 and November 2023.

The U.S. Consumer Product Safety Commission (CPSC) is warning consumers to stop using Kalorik MAXX Air Fryer Ovens with French Doors immediately, because they pose a risk of serious burns to consumers. CPSC's investigation revealed that the doors can suddenly close on consumers' arms while the oven is on, causing burns.

If you still have this item please stop using it and return the item to your local Costco for a full refund.
