McAfee Total Protection
1-Device

McAfee+ Premium
Unlimited Devices**

How to upgrade to McAfee+ Premium Individual:

1. Add a qualifying PC to your cart
2. From the pop-up screen, select "Add to Cart" next to McAfee+ Premium
3. Complete the purchase
4. You're all set! Enjoy the extra protection.

Offer Redemption Instructions:

1. Check your email for an activation code from costcodelivery@ecodes2g0.net
2. Click Activate Protection or copy the 25-digit activation code and proceed to www.mcafee.com/activate
3. Follow the activation instructions.

*Subscription and Auto-Renewal Notice: Subscription automatically renews annually to provide hassle-free protection. A payment method is required to complete activation, but don't worry, you won't be charged at that time. You will be charged 30 days before the subscription ends and annually thereafter at the renewal price applicable. We will remind you 30 days before you are charged. You can cancel any time from your 'My Account' page by logging in to mcafee.com.
**This plan covers household devices that you own for personal, non-commercial use, and are subject to our fair use policy. If you have an issue adding a device, please contact McAfee Customer Support.
