Important Recall Notice

November 5, 2026

Dear Costco Member,

Costco's records indicate that you, or one of your add-on Members, may have purchased the following item(s) between August 2023 and October 2026:

Costco Item Number	Description
1671610	Little Giant Megalite+ Multi Use Ladder (11537-803)
1806348	Little Giant Megalite+ Multi Use Ladder (11548-803)
2009560	Little Giant Megalite Multi Use Ladder with Rack (900-00067)

Little Giant is conducting a voluntary recall of certain ladder models with Rapid Locks, in cooperation with the U.S. Consumer Product Safety Commission. The ladders can suddenly retract if the Rapid Locks are not fully engaged, posing a fall hazard.

You should stop using your ladder immediately until you receive the repair kit and apply the labels that will be sent directly to you by Costco. A free repair kit will be sent via US Mail at no charge. It includes instructions with photos and video on how to confirm the locks are properly engaged, lubrication directions, and labels to apply near each Rapid Lock.

If you do not receive your repair kit, please call Little Giant Ladder at 866-201-9069 10:00am – 7:00 pm Mountain Time or visit http://littlegiantladders.com/pages/recalls to request a replacement.

Thank you,
